

Campaign Privacy Policy

AI Me AI Call Assistant

Effective Date:

This Privacy Policy describes how AI Me AI Call Assistant collects, uses, stores, and protects personal information provided by individuals who opt in to receive communications, including text messages (SMS) and related updates regarding our campaigns, services, and operational activities.

1. Information We Collect

When you register for our campaign messaging or submit contact forms, we collect information necessary to fulfill your communication request:

- Contact Details: Name, email address, phone number, and mailing details.
- Opt-In Information: Consent records, timestamp of opt-in, and the web form or method used to opt in.
- Messaging Records: History of SMS messages sent and received, delivery confirmations, and opt-out preferences.

2. How We Use Your Information

We use your contact information strictly for campaign communication purposes:

- Delivering SMS text updates, security notices, and relevant account alerts.
- Responding to direct support inquiries or information requests.
- Maintaining precise consent records to satisfy regulatory compliance requirements.

3. Messaging Terms & Opt-Out Options

By opting in to receive text messages from AI Me AI Call Assistant, you consent to receive recurring campaign messages.

- **Frequency:** Message frequency depends on active campaign engagement.
- **Opt-Out:** You may opt out at any time by replying **STOP** to any text message. You will receive a single automated response confirming your opt-out request.
- **Assistance:** For assistance, reply **HELP** or contact customer support directly.
- **Rates:** Standard message and data rates may apply depending on your mobile carrier plan.

4. Third-Party Sharing Disclosures

We respect your privacy and enforce strict data protection rules.

We do not sell or share your SMS opt-in data or personal information with third parties for marketing purposes,

Your mobile opt-in data, phone number, and text messaging consent records will not be sold, rented, leased, or shared with third parties or affiliates for promotional or marketing campaigns. Information is shared only with messaging service providers operating under strict legal requirements to deliver messages on our behalf.
